SAMARJAY PRESTIGE

We bridge the gap between world-class luxury and scholarly discovery, providing the logistical precision required by global research departments

Bespoke Expedition Lodging

- Luxury Lodge Partnerships: Exclusive access to 5-star resorts in Watamu, Diani, and Maasai Mara.
- Academic Basecamps: High-end, secured research villages in remote locations like Lake Turkana and the Rift Valley.
- Eco-Luxury Standards: Partnering with lodges that prioritize conservation and sustainable practices.
- Personalized Comfort: Custom-printed safari reading books with your name on the cover

Prestige Expedition Logistics

- Specialized 4x4 Fleet: Reliable, modified vehicles designed for long-term research leases and rugged terrain.
- Field Base Management: Semi-permanent research villages equipped with solar power and clean water systems.
- Marine Biology Support: Provision of chartered vessels and diving support for coastal research expeditions.
- VIP Arrival Experience: "White-Glove" airport welcomes with luxury transfers and expert "middle conversation" by trained guides

Why Partner With Samarjay Prestige?

- Academic Excellence: Mentorship and high-level guidance
- Permit & Security Liaison: Expert navigation of NACOSTI and KWS permits for foreign faculty and student groups.
- Elite Field Team: A vetted roster of professional guides trained in authentic wilderness storytelling.
- Hyper-Personalization: Tailored itineraries for high-net-worth individuals and academic field schools.
